(the “Company”)

AUDIT COMMITTEE CHARTER

(Dated for Reference June 15, 2009)

MANDATE

The audit committee (the “Committee”) will assist the Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reporting process, the system of internal control and the audit process.

COMPOSITION

The Committee shall be comprised of at least three members. Each member must be a director of the Company. A majority of the members of the Committee shall not be officers or employees of the company or of an affiliate of the Company. At least one member of the Committee shall be financially literate. All members of the Committee who are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of this Audit Committee Charter, the term “financially literate” means the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements.

The members of the Committee shall be appointed by the Board of Directors at its first meeting following the annual shareholders’ meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership. The Chair shall be financially literate and an independent director as defined in Section 1.4 of Multilateral Instrument 52-110 *Audit Committees*.

MEETINGS

Meetings of the Committee shall be scheduled to take place at regular intervals and, in any event, not less frequently than quarterly. Unless all members are present and waive notice, or those absent waive notice before or after a meeting, the Chairman will give Committee members 24 hours’ advance notice of each meeting and the matters to be discussed at it. Notice may be given personally, by telephone, facsimile or e-mail.

The external auditor shall be given reasonable notice of, and be entitled to attend and speak at, each meeting of the Committee concerning the Company’s annual financial statements and, if the Committee feels it is necessary or appropriate, at any other meeting. On request by the external auditor, the Chair shall call a meeting of the Committee to consider any matter that the external auditor believes should be brought to the attention of the Committee, the Board of Directors or the shareholders of the Company.

At each meeting of the Committee, a quorum shall consist of a majority of members that are not officers or employees of the Company or of an affiliate of the Company. A member may participate in a meeting of the Committee in person or by telephone if all members participating in the meeting, whether in person or by telephone or other communications medium, are able to communicate with each other. A member

may participate in a meeting of the Committee by a communications medium other than telephone if all members participating in the meeting, whether in person or by telephone or other communications medium, are able to communicate with each other and if all members who wish to participate in the meeting agree to such participation.

As part of its goal to foster open communication, the Committee may periodically meet separately with each of management and the external auditor to discuss any matters that the Committee or any of these groups believes would be appropriate to discuss privately. In addition, the Committee should meet with the external auditor and management annually to review the Company's financial statements.

The Committee may invite to its meetings any director, any manager of the Company, and any other person whom it deems appropriate to consult in order to carry out its responsibilities. The Committee may also exclude from its meetings any person it deems appropriate to exclude in order to carry out its responsibilities.
