

Greenbriar in Venture With Alterra for Puerto Rico Solar

By Justin Doom - Apr 29, 2013

Greenbriar Capital Corp., a Canadian real-estate and energy developer, formed a joint venture with [Alterra Power Corp. \(AXY\)](#) to develop 100 megawatts of solar projects in [Puerto Rico](#).

Greenbriar and Alterra each own 50 percent of AG Solar One, which will sell electricity to the Puerto Rico Electric Power Authority, according to a statement today from the Vancouver-based companies.

AG Solar One may pursue additional renewable-energy projects in the future.
